

# EQAS eForms

This is an easy and convenient electronic data entry option for your EQAS programs. You may enter EQAS results in your PC and submit data to Bio-Rad via email to [eqas.eforms@bio-rad.com](mailto:eqas.eforms@bio-rad.com). If you are a registered user, you can upload your EQAS eForms data files at [www.QCNet.com](http://www.QCNet.com).

- No more handwritten result forms
- No more late results due to postal delays
- No more transcription errors due to poor fax quality

**Compatible with the following Microsoft® operating systems:**
